

Corporate Social Responsibility

Throughout our journey, we have strived to ensure that we maximize any positive impacts and minimize any negative impacts we can have on the communities and environment in which we operate in. It is our vision to continue contributing to the economic growth and stability in Pakistan through actively investing in its economy, its people and the sustainability of its environment.

Our Approach

At BMA Capital Management Limited we believe that Corporate Social Responsibility is more than just philanthropy. It is a philosophy that aims at maximizing the positive impacts and minimizing the negative impacts of our business operations on internal and external stakeholders. This is done through strategic engagement in sustainable, responsible business practices by embedding sustainability in our core activities and through active stakeholder engagement. Within our core business, we are continuously striving to guarantee equal opportunity, diversity, ongoing training, and occupational health and safety to our people. In the marketplace, we are at the forefront of maintaining standards, product quality and customer relations. We furthermore try to ensure that our supply chain also shares these values.

Some of the major themes we actively engage with through our initiatives include:

- Education
- Health
- Enabling operating environment
- Culture and diversity
- The Environment
